My Dear Friends - I am
not called to Hamburgdom
to-day - I expect another
letter to-morrow - I hope
to be with you to-morrow
(Tuesday) morning about
 $\frac{1}{2}$ past nine - and we
can then arrange our

Mons. I want you both
to give us a day if you
can, to dine here - and
have some nice hours
leisure time

With much regard to you
both
Forthrightly yours
Henry Vincent
